

# Grant News

## 8 January 2016

Never Stand Still

All applications from UNSW staff & students must be submitted via the [Grants Management Office \(GMO\)](#). The internal deadline for submission of grant applications to the GMO is **2 weeks prior to the external deadline**. This timeframe allows the GMO to ensure applications comply with UNSW policies and sponsor requirements.

**New grant opportunities are also posted on the [Current Funding Opportunities Page](#) as they become available.**

### **NEW: Institute of Classical Studies | Fellowships**

- **T. B. L. Webster Fellowship**- the Fellowship is awarded to senior scholars from universities outside the UK whose research interests are in the ancient theatre or in classical art and archaeology. The successful candidate is expected to spend a minimum of six weeks at the Institute and to deliver the Webster Lecture.
- **D. Trendall Fellowship**- appointed in alternate years and is open to senior scholars from universities outside the UK whose research interests are in South Italian archaeology and history, or in art history ...[more](#)

**External Deadline:** 31 January 2016

### **NEW: Motor Neurone Disease Research Institute of Australia | Jenny & Graham Lang Collaboration Travel Grant 2016**

Travel and associated costs for a postdoctoral fellow or final year PhD student to investigate and establish a collaborative project with other ALS/MND researchers. This may include a period working in a research facility overseas and can be combined with other grants ...[more](#)

**External Deadline:** 31 January 2016

### **NEW: Australian Companion Animal Health Foundation | Research Grants 2016**

To support research into the causes, prevention and cure of disease in animals and in particular in the canine, feline, and other companion animal species and relevant to small animal veterinary practice ...[more](#)

**External Deadline:** 1 February 2016

### **NEW: NSW Chief Scientist & Engineer | Conference Sponsorship Program 2016**

The NSW Department of Industry, through the NSW Office of Science & Research, is offering grants to support research conferences to be held in New South Wales. The round is open to individuals or organisations hosting conferences during 2016 ...[more](#)

**External Deadline:** 8 February 2016

### **NEW: JDRF | PHD Top-Up Scholarship**

The JDRF PhD Top-Up scholarship is available to domestic students in receipt of an Australian Postgraduate Award, NHMRC Postgraduate Award or University-funded scholarship. Students must be pursuing research relevant to JDRF's mission - to cure, treat and prevent type 1 diabetes and its complications ...[more](#)

**External Deadline:** 28 February 2016

### **INTERNATIONAL:**

*Please note, external dates from International sponsors are listed using Sponsor local time*

**NEW: Foundational Questions Institute | Physics of the Observer – International Request for Proposals 2016 (US)**

For proposals which target Physics of the Observer, both in physics and also in related fields including cosmology, astrophysics, philosophy of physics, complex systems, biophysics, neuroscience, computer science, and mathematics ...[more](#)

**External Deadline:** 20 January 2016 (EOI)

**NEW: Ian Potter Foundation | [Round 1 Applications](#)**

- **Open Call:** Travel, Conference, International Learning & Development, and Medical Research grants
- **By Invitation Only:** Arts, Community Wellbeing, Education, Environment & Conservation, and Health and Disability Grants

**Please note, the International Learning & Development and Medical Research schemes have a ranking requirement, therefore these are due to the [Grants Management Office](#) by the hard internal deadline of COB 13 January 2016.**

**External Deadline:** 27 January 2016

**NEW: Feminist Review Trust | Grants (UK)**

Grants for projects in the UK and internationally that support women ...[more](#)

**External Deadline:** 31 January 2016

**NEW: Spencer Foundation | Strategic Initiatives – The New Civics – Small Grants 2016 (US)**

For proposals that ask critical questions about how education can more effectively contribute to the civic development of young people ...[more](#)

**External Deadline:** 1 February 2016

**NEW: MQ- Transforming Mental Health | PSYIMPACT Programme (UK)**

For research to improve the evidence base of preventative psychological therapies – making them more effective for more people. MQ is seeking applications that can demonstrate clinical relevance and how they will be able to benefit patients in the future, and will fund research to develop and test theory-driven, psychological interventions focused on the development or relapse of mental health conditions ...[more](#)

**External Deadline:** 1 February 2016

**NEW: EMDR Research Foundation | Research Grant Award (US)**

For research into advancing evidence-based practice:

- **1st Priority** - increase the availability of quality EMDR research in areas where we already have a foot-hold in the literature but where more evidence is needed: Anxiety, Depression, Military PTSD, Phantom Limb Pain, and to enhance recovery from the impact of cardiac events and the diagnosis and treatment of cancer.
- **2nd Priority** - Addressing the Global Burden of Trauma: Investigate the use of EMDR in natural or man-made disaster responses, by determining the effectiveness of the following protocols: early intervention protocols, the child or adult group protocols, or the use of EMDR standard protocols in disaster response.
- **3rd Priority** - Building Clinical Evidence: There are a number of areas where EMDR therapy is being used, clinical observations are positive, and there are some research indicators of success. However, more research is needed to build a body of literature in these populations or diagnostic categories, including but not limited to: Addictions, Eating disorders, Dissociative disorders, Additional medical/somatic conditions and Suicide prevention and/or to address the impact of suicide ...[more](#)

**External Deadline:** 1 February 2016

**NEW: Cancer Research Institute | CRI Irvington Postdoctoral Fellowship Program (US)**

Supports young scientists at universities and research centers around the world who wish to receive training in cancer immunology. The Institute is seeking hypothesis-driven, mechanistic studies in both immunology and tumor immunology that aim to directly impact our understanding of the immune system's role in cancer risk, tumor initiation, progression, metastasis, host response to tumors, and/or the treatment of cancer. In addition to calling for applications to the standard fellowship program, in collaboration with the Fibrolamellar Research Foundation, CRI is also offering postdoctoral fellowships to candidates focused on fibrolamellar hepatocellular carcinoma (FL-HCC) and is seeking proposals in this area ...[more](#)

**External Deadline:** 1 April 2016

**NEW: The Cure Parkinson's Trust | Grants (UK)**

Funds laboratory or clinical research projects with the potential to advance knowledge that might lead to a cure for Parkinson's disease or show the potential to slow, stop, reverse the progression of Parkinson's disease. The sponsor has a preference for projects and trials that are likely to lead to clinical translation within 5 years ...[more](#)

**External Deadline:** Ongoing

**Closing Soon:**

- **University of Melbourne | David Syme Research Prize**  
External Deadline: 15 January 2016 ...[more](#)
- **Lalor Foundation | Postdoctoral Fellowships (US)**  
External Deadline: 15 January 2016 ...[more](#)
- **Society in Science | The Branco Weiss Fellowship (US)**  
External Deadline: 15 January 2016 ...[more](#)
- **Jacobs Foundation | Call for Applications: Better Evidence for Children and Youth**  
External Deadline: 15 January 2016 ...[more](#)
- **Union for International Cancer Control | Yamagiwa-Yoshida Memorial International Cancer Study Grants 2016 (CHE)**  
External Deadline: 15 January 2016 ...[more](#)
- **Terra Foundation | Travel Grants to the United States (US)**  
External Deadline: 15 January 2016 ...[more](#)
- **Endangered Languages Documentation Programme | Grants (UK)**  
External Deadline: 15 January 2016 ...[more](#)
- **Australian Government- Department of Health | Blood Borne Viruses and Sexually Transmissible Infections Prevention and Education Programme**  
External Deadline: 19 January 2016 ...[more](#)
- **Parkinson's NSW | Grants for Parkinson's Research**  
[Grant Call](#) | [Format for Applications](#) | [Grant Guidelines](#) | [Sponsor website](#)  
External Deadline: 21 January 2016
