

Expressions of Interest

- Researcher contacts researchimaging@unsw.edu.au for enquiries or
- Researcher fills out RINSW project application form on the website.

Consultation

- The project is reviewed.
- The facility can assist with MR study design and ethics applications, if desired.

Project Initiation

- RINSW staff will ensure all necessary information has been provided (ethics approval, billing info, etc).
- Approved projects will be assigned a RINSW Study ID and a project on syngo.share (data sharing platform) will be created.
- Training will be provided, if necessary.

Booking

- Researcher books time on the scanner on [ACLs](https://acls.unsw.edu.au) and attaches the Referral Form to the booking. The Referral Form is available on the website for download.

Scan

- Scan takes place at time booked on [ACLs](https://acls.unsw.edu.au).
- Please request participant to arrive at least 15 minutes before scan with completed safety screening form and signed consent form.

Data

- Data is transferred to syngo.share and is available within 24 hours after the scan.
- Researchers can log into their projects on syngo.share to access their data.

Reporting

- For reporting purposes, we request researchers to inform RINSW of publications, conference abstracts and grants arising from projects carried out in the facility.
