

NAVIGATING iRECS - WHAT HAPPENS AFTER SUBMISSION

After your project is approved

1. You will receive the following **notification/message** once your application has been approved.

Gene Technology

Notifiable Low Risk Dealing Application (NLRD-GTRC-2022-) - **Approved**

 donotreply@infonetica.net
To
Cc

Dear

Your Notifiable Low Risk Dealing application to the Gene Technology Research Committee (NLRD-GTRC-2022-) has been reviewed.

The Committee recommended approval of this application. Please take a moment to review the attached approval letter and let us know if you have any questions.

A copy of this outcome is also available in iRECS (<https://irecs.unsw.edu.au/Project/Index/>).

Please complete a [UNSW Gene Technology Dealings Acknowledgement Statement](#) for your records.

Radiation Safety

Ionising Radiation Lab Registration Application (IRR-RSC-2022-) - **Approved**

 donotreply@infonetica.net
To
Cc

Dear

Your Ionising Radiation Lab Registration application to the Radiation Safety Committee (IRR-RSC-2022-) has been reviewed.

The Committee recommended approval of this application. Please take a moment to review the attached approval letter and let us know if you have any questions.

A copy of this outcome is also available in iRECS (<https://irecs.unsw.edu.au/Project/Index/>).

Human Rethics

LR-HREAPC-2023- Low risk application - Approved with Conditions

 donotreply@infonetica.net
To
Cc

Dear

Reference Number: LR-HREAPC-2023-

Project Title:

Approval Period: 01/08/2023 to 01/08/2028
