

iRECS FAQ - Reviewer Portal

Note: The FAQ section will be updated iteratively to include any new FAQs received.

- **Do I need to apply for access to iRECS?**

All active Ethics Panel/Committee Members (i.e. those who have a UNSW email address) will automatically be granted access to the iRECS platform. No registration is required. You can log on to iRECS by clicking on the **University Login** button on the login page.

Contact the RECS team if you have trouble accessing iRECS:

Gene Technology: genetechnology@unsw.edu.au

Radiation Safety: radiationsafety@unsw.edu.au

Human Ethics: humanethics@unsw.edu.au

- **How can I update my password / I forgot my password what should I do?**

All password change requests will need to be lodged through UNSW Identity Manager
<https://idm.unsw.edu.au/idm/user/login.jsp>

- **Where can I get information on how to navigate the iRECS platform?**

Instructions on iRECS navigation can be found in the **Further Information/Support** section of the [iRECS Information Webpage](#) as well as the **Help section** of the iRECS Help tab.

- **When will the transition to iRECS occur?** (*Navigate to Top*)

See "iRECS Roll Out Plan" section of the [iRECS Information Webpage](#)
